

AMERICA'S LAWN VAC LEADER

AMERICA'S LAWNVAC LEADER

Originally founded in 1972, PECO has been a pioneer in the lawn care industry from our beginning. We are an independent, family-owned company driven to be the premier manufacturer of material collection systems and quality accessories for the outdoor power equipment industry. Our LawnVacs and other products are designed and built in America, to serve the needs of professional landscapers, institutions, and homeowners. We design our products to be long lasting, easy to use, and to work like nothing else. Our products make your job easier. PECO's experienced, knowledgeable staff is available to help our customers get the most out of our products. We maintain an extensive inventory of parts, ensuring you many years of use for your LawnVac or other accessory. We stand behind our products with a one-year limited warranty. We are dedicated to constantly improving our products and serving our customers year after year. PECO is proud to be America's LawnVac Leader. Visit us at www.LawnVac.com to find information on our full product line, download manuals and parts breakdowns, locate a dealer, or ask a question 24/7.

INNOVATION

Patented PTO Drives

The PECO PTO drive is a unique way to power our LawnVacs. So unique, in fact, that it has been granted a US patent. Unlike other baggers whose blowers are mounted on the deck and driven off the deck spindle, our blowers take their power directly from the engine. This allows the blower to engage independently of the deck, which reduces start up strain on the engine and belts.

We now have three versions of our PTO Drive available to fit your needs.

PTO-X:

- Our Most Advanced PTO Drive
- Electric Clutch Engagement
- Aluminum Housing and Cone
- 4-Blade 4-Gauge Steel Impeller
- Self-Tensioning Belt
- Fewer Moving Parts
- 1 Year Commercial Warranty

PTO-C:

- Designed for Commercial Use
- Manual Over-Center Engagement
- Aluminum Housing and Cone
- 4-Blade 4-Gauge Steel Impeller
- 1 Year Commercial Warranty

PTO-R:

- Designed for Residential Use
- Manual Lever Engagement
- Polyethylene Housing and Cone
- 3-Blade 7-Gauge Steel Impeller
- Lightweight
- 1 Year Residential Warranty

TRAIL-O-MATIC HITCH

Unique PECO Technology for Trailers

The PECO Trail-o-Matic hitch keeps the engine position fixed relative to your tractor as the trailer pivots. This exclusive feature keeps a constant length of hose from the boot to the impeller, which means no stretching or binding of the hose for better airflow and longer hose life.

PRO12^{DFS}

The **PRO12^{DFS}** (Dump From Seat) is a mounted aluminum box designed for one-handed dumping from the operator's seat. The Pro 12^{DFS} will increase your productivity, whatever your application. Featuring our patented mid-mounted blower, it has the power to handle today's high output commercial decks.

4-Blade Steel Impeller and Cast Aluminum Blower Housing

Easy Dump From Seat

PTO-X with Self-Tensioning Belt and Electric Clutch Engagement

Additional Features

- Comes Complete with Mounting Hardware and Weight Kit
- Corrosion-Resistant Aluminum Container
- Framed in Heavy-Duty Steel, Polyethylene Door, and Steel Door Frame
- Easy to Install – No Tool Removal

Fits

- Bobcat
- Bush Hog
- Country Clipper
- Cub Cadet
- Dixie Chopper
- Exmark
- Greenworks
- Husqvarna
- John Deere
- Kioti
- Kubota
- Scag
- Spartan
- Toro

Drive Options

- PTO-C Drive with Mechanical Engagement
 - PTO-X Drive with Electronic Engagement
 - Briggs & Stratton 6.5hp Vanguard Gas Engine
- * Not All Drives Available on All Mowers

Specifications

- Category: Commercial
- 12 Cubic Foot Capacity = 9.6 Bushels
- Boot Adds 12" – 15" to Deck Width
- Debris Weight = 168 Pounds

	PTO-C	PTO-X	B&S 6.5hp
Install Weight	325 - 330 Pounds		335 - 340 Pounds
Added Width	16"		16"
Added Length	24"		24"

PRO3B

The **PRO3B** is designed with the professional landscape contractor in mind, making it a true commercial collection system. The tapered design of the bags makes them easy to remove and dump. The Pro 3B features a rugged design and our patented mid-mount blower system to provide the high-volume collection capacity that today's commercial ZTR mowers demand.

4-Blade Steel Impeller & Cast Aluminum Blower Housing

Easy No Tool Removal (Once Installed)

Engage PTO-X Drive From Operator's Seat

Additional Features

- > Comes Complete with Mounting Hardware and Weight Kit
- > Adjustable Grass Dispersion Evenly Fills All 3 Bags
- > Lower Profile for Better Rear Visibility
- > Framed in Heavy-Duty Steel
- > Easy to Install — No Tool Removal
- > All PTO Drives are Engaged From the Operator's Seat

Fits

- > Bobcat
- > Cub Cadet
- > Husqvarna
- > Kubota
- > Toro
- > Bush Hog
- > Dixie Chopper
- > John Deere
- > Scag
- > Country Clipper
- > Greenworks
- > Kioti
- > Spartan

Drive Options

- > PTO-C Drive with Mechanical Engagement
 - > PTO-X Drive with Electronic Engagement
 - > Briggs & Stratton 6.5hp Vanguard Gas Engine
- * Not All Drives Available on All Mowers

Specifications

- > Category: Commercial
- > 15 Cubic Foot Capacity = 12 Bushels
- > Boot Adds 12" - 15" to Deck Width
- > Debris Weight = 210 Pounds

Install Weight	250 Pounds	275 Pounds	275 Pounds
Added Width	16"	16"	16"
Added Length	30"	30"	30"

PRO2B+

The **PRO2B+** is the perfect solution for smaller ZTR mowers. The Pro 2B+ features our PTO-R drive that easily deals with the heavy grass and wet leaves that can plug a weaker collection system. It's powerful, lightweight, and affordable; making it perfect for the homeowner.

3-Blade Steel Impeller & Cross Linked Polyethylene Blower Housing on PTO-R

Easy No Tool Removal (Once Installed)

Engage Drive From Operator's Seat

Additional Features

- Comes Complete with Mounting Hardware and Weight Kit
- Lower Profile for Better Rear Visibility
- Adjustable Grass Dispersion Evenly Fills Bags
- Framed in Heavy-Duty Steel
- Easy to Install – No Tool Removal
- 4-Blade Steel Impeller & Cast Aluminum Housing with PTO-C and PTO-X Drive

Fits

- Bad Boy
- Country Clipper
- Kioti
- Spartan
- Bobcat
- Cub Cadet
- Kubota
- Bush Hog
- Dixie Chopper
- Scag

Drive Options

- Tongue Weight: 100 Pounds

WAND KIT

Convert any PECO mower vacuum into the ultimate clean up tool. Its 18' of flexible hose and ergonomic handle allows you to get into hard-to-reach spots with ease. The wand kit is a great tool for anywhere your mower can't reach, such as planters, flower beds and ditches.

Model A1858 – For Small Blower Housings
Model A1861 – For Large Blower Housings

Specifications

Small Blower Housings*:

- Pro 2B+
- Pro 3B
- Pro 12^{DFS}
- Pro 22^{DFS} with PTO Drive
- Convertible X20 & X30
- ES36 Estate Series

Large Blower Housing:

- Pro 22^{DFS} with Engine Drives
- Pro 24^{DFS}
- ES50 Estate Series

**Not Compatible with PTO Drives*

Features

- Lightweight and Easy to Maneuver
- Great for Cleaning Planting Beds and Difficult to Reach Areas
- Kit Includes a Wand Nozzle, Lightweight 18' Super Flex Hose, Hose Clamps, and Cone
- Easy to Attach

TRUCK LOADER

With PECO power in a compact size, the Truck Loader turns your pickup truck into a powerful debris collection system. It mounts to a standard, 2" trailer hitch and uses PECO's proven impeller and blower housing connected to 25' of tough flexible polyurethane hose with an oversized nozzle and ergonomic handle. You provide the container, PECO does the rest.

Model TL-14

Features

- 25' of 8" Diameter Hose with Wand Kit
- 6' of 7" Diameter Upper Hose
- 7" Diameter Inlet Ring
- Fits Standard 2" Hitch
- Heavy-Duty Cast Aluminum Blower Housing
- Heavy-Duty 5-Blade Steel Impeller
- Does Not Include Truck Bed Container

Drive Options

- Briggs & Stratton 14hp Vanguard Electric Start Gas Engine

Z-TRIMMER

Easy to install and simple to use. The lightweight Z-Trimmer is easily mounted to virtually any fabricated mower deck and runs off the mower's battery. Obstacles are not a problem as the Z-Trimmer is spring-loaded to swing away from any obstruction. It's a great tool to speed up regular maintenance of your yard or fence lines.

Model ZT-3100

Features

- Operating Range of 15-30 Amps
- Easily Folds for Transport and Locks into Place to Prevent Movement While Not in Use
- Shaft Debris Shield
- Fixed Line Head
- Resettable Circuit Breaker
- 140° Range of Head Movement
- 4600rpm 12V DC Motor with Sealed End Cap
- Recommended for Mowers with 48" Decks or Larger & Having 20" of Clearance From Edge of Deck to Mower Frame
- Comes Bolt-On Ready to Install and with 40 Pieces of Replacement Trimmer Line

Requirements

- Mower Must Have a Minimum 15 Amp Charging System to Power the Z-Trimmer
- Designed for Use on Regularly Maintained Areas
- Recommended Run Time: Approximately 20 Minutes Per Hour of Mowing
- Requires a 6" x 4" Flat Surface on Deck to Mount

Z-TRIMMER PRO

PECO is proud to introduce the new Z-Trimmer Pro. We have given it the power the landscape professionals demand.

Model ZT-5000

Features

- Rechargeable, Powerful 84v Battery System Easily Folds and Locks for Transport or to Prevent Movement While Not in Use
- Shaft Debris Shield
- Fixed Line Head Uses up to .135" Trimmer Line 140° Range of Head Movement for Trimming or Edging
- Mounts Directly to Most Decks by Drilling Two Holes
- 20" Reach From the Edge of the Mower Deck
- 6000rpm 84v Motor
- Quick & Easy Assembly
- Recommended for Mowers with 48" Decks or Larger and Having 20" of Clearance From Edge of Deck to Mower Frame
- Comes Bolt-On Ready to Install and with 48 Pieces of Replacement Trimmer Line
- 1 Year Residential Warranty

Requirements

- Designed for Use on Relatively Flat Terrain
- Approximate Run Time: 2 Hours on 1 Fully Charged Battery
- Requires a 6" x 4" Flat Surface on Deck to Mount

PTO GENERATOR

Use your tractor to provide the power you need, when you need it! Eliminate the extra costs of owning and maintaining a separate engine for your generator. PECO's PTO Generator is powered by your tractor's 540 rpm PTO. Automatic voltage regulation is standard on the 10kw and 16kw models. Fits any Category 1 or 2 three-point hitch. Whenever and wherever you need power, hook up your tractor and plug in!

10kw Model PTOG-0010

16kw Model PTOG-0016

22kw Model PTOG-0022

Features

- Heavy-Duty Single Phase Generators, Brush-less (Capacitor) Design for Maintenance Free Performance
- Aluminum and Steel Housing for Maximum Durability
- Drip-Proof Design
- 100% Copper Windings, Low Distortion Alternator (THM <5%) for High Quality Power Output, Insulation Class H
- Lifetime Pre-Sealed Maintenance Free Bearings
- 4" Three Bar LED Meter Provides Accurate Display of Hertz, Volts, and Amps Output
- Individually Protected Circuits
- Magnetic Circuit Breaker with Individual Circuit Protection for Safety and Accurate Overload Protection
- Full Power Outlet
- Simultaneous 120V and 240V Output

PS5 SPRAYER

No need for pumping or lugging with the PS5 Sprayer. It's completely self-contained and rolls easily over lawns and gardens. The spray wand is always right at hand with multiple spray patterns to fit the job. Spray a flat or a fine mist adjustable to a 40' stream. A full charge on the battery can last for 6 hours, and the wide-mouthed illuminated container can hold up to five gallons. Sprayer folds for easy transport and storage.

Model 12008

Features

- Eliminates Hand Pumping or Lugging a Heavy Tank on Your Back
- Self-Contained 12V Electric Sprayer
- 14" Wheels
- Lightweight Aluminum Cart with Folding Handle for Easy Transport and Storage
- Electric 40 PSI Pump Runs up to 6 Hours Per Charge
- Heavy-Duty Gel Cell Rechargeable Battery
- Illuminated Wide Mouth 5-Gallon Container
- TeeJet Nozzle for Uniform Coverage Throughout the Flat Spray Pattern
- 29" Stainless Steel Spray Wand for Hard-to-Reach Places
- Commercial Shut-Off Valve with Lock-On and Lock-Off Features
- 10' Hose with a Quick-Release Hose Hanger
- Viton Valves / Santoprene Diaphragm

SUN SHADE

Universal Sun Shade!! Our easy to install sun shade mounts to most ROPS bars, protecting the rider from the heat, glare of the sun and rain. The UV Stable Plastic retains its shape and color. It's lightweight and installs in 15 minutes, with just a wrench. It is easily removable for folding ROPS or travel between jobs.

Features

- 30° Range of Motion
- Fully Adjustable to Level Position on Forward or Rear Leaning ROPS

Model TzM-3641S

- Sun Shade for Square / Rectangle ROPS
- Measures 36" x 41" x 4"

Model TzM-3641R

- Sun Shade for Round ROPS
- Measures 36" x 41" x 4"
